What is GMILCS, Inc?

We are a non-profit consortium of twelve public and academic libraries in New Hampshire sharing an integrated system, sharing resources, sharing experience. We work cooperatively in purchasing access to online resources. And because we share, we have more to offer the public we serve.

The GMILCS, Inc. consortium serves the libraries of Amherst, Bedford, Derry, Goffstown, Hooksett, Manchester, Merrimack, Milford, Salem, Southern New Hampshire University, New England College and the New Hampshire Institute of Art.

Our name is pronounced "gee-milks." Find out more about us at:
